The following circular is hereby promulgated for information, guidance and necessary action.

**EMILE N. ARAO
DIRECTOR GENERAL**

STATUS OF IMPLEMENTATION OF VISA FREE REGIME IN KENYA

Following the presidential directive that Kenya will be a visa free country from January 2024, an Electronic Travel Authorization (ETA) system is in the process of development and implementation. The digital platform will ensure that all travelers to Kenya are identified in advance.

All travelers coming to Kenya from countries that require visas shall continue applying for visas in the usual manner until the government communicates the change program to ETA system.
